

CENTRAL INTELLIGENCE AGENCY

WASHINGTON 25, D. C.

OFFICE OF THE DIRECTOR

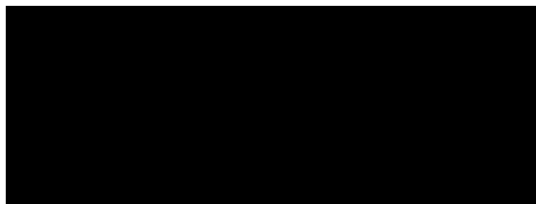

19 December 1955

TO ALL EMPLOYEES:

I send you my sincere appreciation for the fine support which you have given our first Consolidated Charities drive. Through your generosity, the fund has already received \$100,780 against a goal of \$70,000.

All Offices have exceeded their individual goals and will be presented special Agency "Oscars". Certificates of Merit will be awarded to those units within these Offices which have achieved one hundred percent participation.

We may rightfully be proud of our success in this drive. Helping others in this way reflects a spirit which is essential to our way of life. Congratulations for your enthusiastic response.
